PEER MENTORS

Pupils at Grover Middle School, under the direction of Kathy O'Donnell, physical education/health officer, visited fifth-graders at Village School in West Windsor to present "Totally Toxic," an anti-tobacco peer mentoring program that is part of REBEL 2. Grover pupils who participated in REBEL (Reaching Everyone By Exposing Lies) throughout the year learned about smoking issues and how to present them to their peers. Members of the Grover REBEL 2 team include, from left, front row: Alex Zuckerman, Alexis Rodriguez, Jess Schoener; back row: Greg Sanchez, Dee Tiwari, Deanna Martinez, Brooke Hardy, Aditya Radhakrishnan, Aditya Voleti and Karen Menezes.
